Dear Active members of TBP,

I was disappointed at the turnout that we had at the meeting last night to sign up for helping with the National Convention. The Convention is next week, and we really need to have these spots filled immediately. The Convention is being hosted by our entire TBP chapter, so I would encourage all of you to help for an hour or two next week.

If you need some bribes:

People who take tickets before any of the meals (lunches and dinners Thursday through Saturday) get to eat for free.

There are extra leather portfolios from the Convention for those who help out.

There are also purple polo shirts for people who help.

SO--- Please stop by the EE office (Rathbone 261) and sign up to help before the end of this week.

If you have any questions please contact Brian Budke (bjbudke@ksu.edu) or I. Thank you!
